Sir,

I have the honour to call your attention to the fact that my letter to you of July 31st is still without reply

I beg that the matter of officially recognising that the grant of the Durbar to the Institute of Research is <u>without limit of time</u>, contingent only on location at Bangalore, be completed without delay We have to recite the grant of the Durbar and the terms of the grant, in our application to Government for a Deed of Constitution, and if the formal assent of the Durbar be postponed, it must lead to the inconvenient and circuitous course of our making a statement on the strength of the promise made to us by H E the Divan, and waiting for Government to verify the statement

I have the honour to be,

Sir,

Your most obedient servant,
